Touchless w/Automatic 1000ml Soap Sanitizer Dispenser Floor Sanitizer Station

Sanitizing Stand Includes Automatic Touch-Free Dispenser

Sanitizer Floor Stand, Auto Liquid Soap Dispenser, with Black Round Base

This automatic hand sanitizer dispenser has a large capacity of 1000ml.

Place this automatic sanitizing stand in busy common or high-traffic areas as an essential way to help promote healthy hand sanitization and to help reduce the spread of germs and bacteria. This free-standing dispenser has an overall height of 53.8in (135cm).

Our sanitizing stand does not require any expensive exclusive refill cartridges, making this a cost-effective solution. Purchase and use your favorite free-pour gel to fill up the 1000 mL container when the level gets low.

Applications:

Suitable for public places such as offices, hotels, hospitals, medical institutions, schools, etc.

This decorative wall mounted auto soap dispenser not only suitable for industrial also perfect for home bath kitchen. Wall soap dispenser can highly save the space and avoid mass bottles occupying the desk.

Take preventative actions into your own hands to stop the spread of the flu virus, common cold, and harmful bacteria. These commercial hand sanitizer dispensers promote a clean workspace by giving employees and guests a centralized place to frequently disinfect and wash. These floor standing and countertop hygiene stations are ideal for public areas such as office buildings, schools, and retail stores.

Accessible alcohol-based hand sanitizer dispensers may reduce the call out rate of employees and absenteeism of students.

Features:

Wall mounted and easy install

Convenient and hygienic: Just put your hand under the sensor to start the soap dispenser, you can effectively avoid cross infection without touching the soap dispenser.

Automatic hand sanitizer dispenser has a large capacity of 1000 ml for various disinfectant liquids, liquids and hand sanitizers.

Battery operated and rechargeable: This soap dispenser is operated with batteries. This disinfectant hand sanitizer also can be rechargeable with an adapter. (Not equipped with Adapter and batteries).
