Overview

Feature:

- . 10ft straight pop up display with magnetic connections. Graphic can be printed on seamless backdrop install with velcro.

Includes:

- . Straight velcro aluminum frame with PC hook and magnetic connections
- . Soft trolley bag

Description:

This trade show display is the attractive mural backdrop for exhibit booths. It's ten-foot wide and fit neatly into most Trade Show Booths. This pop up display is easy to assemble. Users expand the truss simply by pulling it open. The display frame then latch in place after you buckled the PC hooks and magnetic blocks. The graphic affix to brushed aluminum frames using a Velcro adhesive. This Pop Up Trade Show Display is a snap to put together, thanks to its light weight and easy set-up. The carrying case makes this unit perfect for those users on the go.

Application:

This "pop up display", also known as exhibit booth, is perfect for presenting 10ft wide graphics at trade shows, conventions and exhibitions.
