Overview

- Body color changing, high quality
- International standard size
- Printing image would be seen gradually when put hot water into `the` mug.

Description:

Our 11 ounce full body color changing mugs are in premium quality with international standard size and come in cartons of 36. When poured into `hot` water(50~70?), the whole colored body will get lighter and thus the picture could be seen gradually.,

Remarks:

- Ordering by whole carton is suggested to reduce the broken risk during the transportation.
- Considerable discount will be offered if the order is over 10 cartons.
