QA

Q	If there was any kind of technical problems, how can i get help? is there are any workers for you in israel?
A	<p>Before you start using this machine,you can get free training from us.For the detailed training plan,pls check attached file,thanks. If you meet the technical problems in the future,our technicians can help you solve the problem through email,telephone and remote control,and even go to your place till the problem solved.</p> <p>Reply by sign-in-china</p>
Q	I am studying a cnc course on a specific program called "soildcam" and "solidworks", is your machine able to adapt this kind of programs or its just limited with another kind of programs..?
A	<p>Our machine use Artcut software,it has the users manual,if you have the knowledge of graphic design,it is easy to operate.</p> <p>Reply by sign-in-china</p>
Q	I am planning to use this machine for wood craft, such as; kitchens cabinets, entrance doors, and other 3D work... is this the suitable machine for what i just mentioned or not?,
A	<p>Yes,all you mentioned above are suitable for this machine.</p> <p>Reply by sign-in-china</p>
