### Overview

**Feature:**

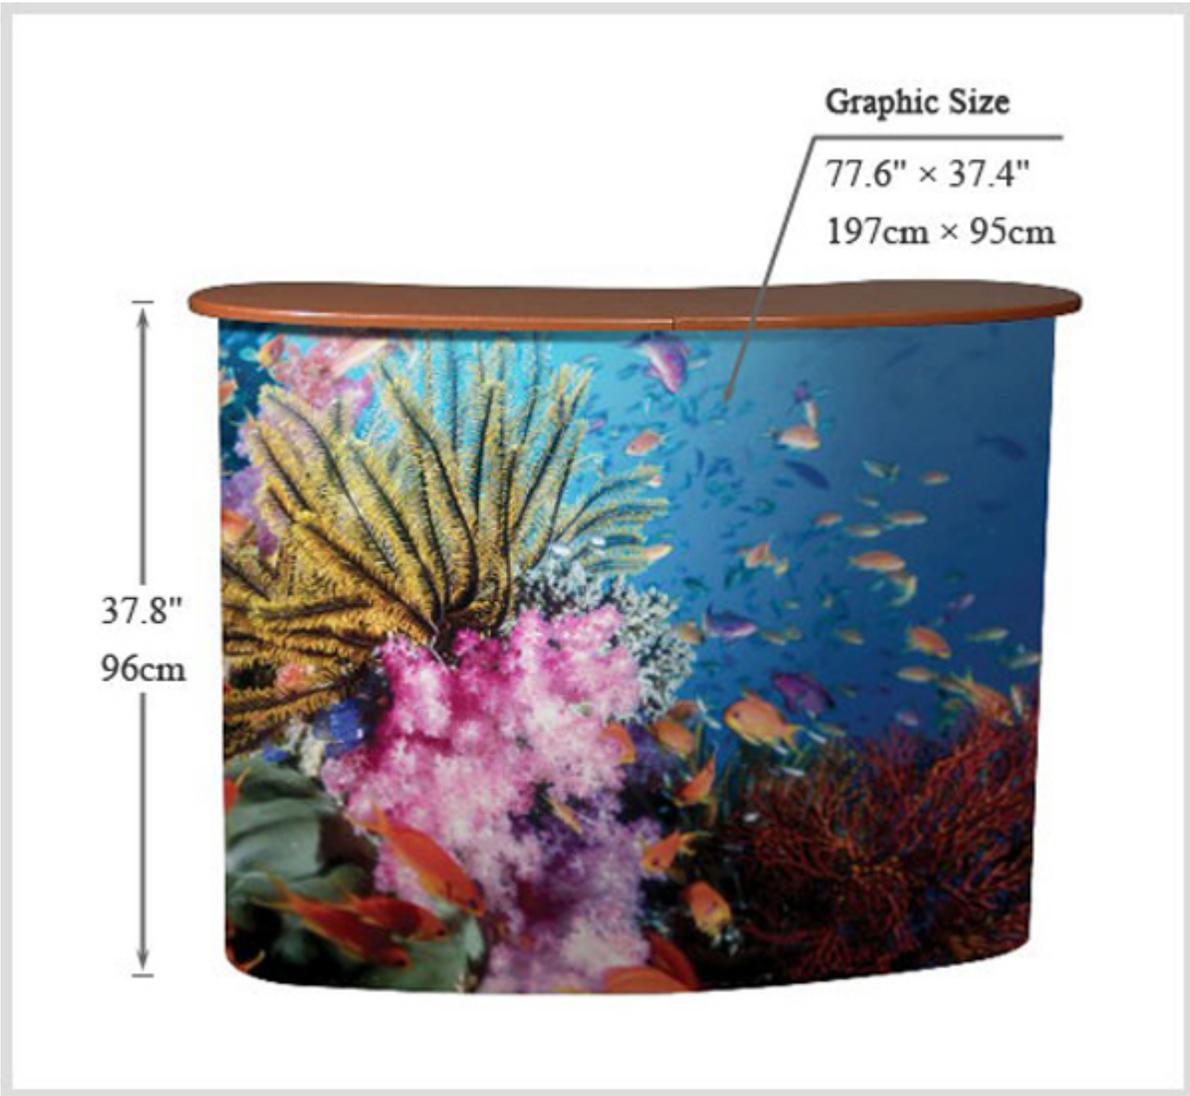

. Pop up structure, widely size, portable and durable.

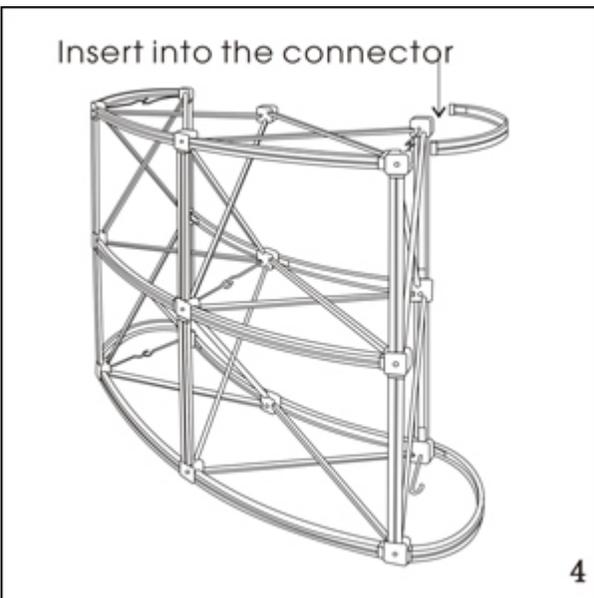

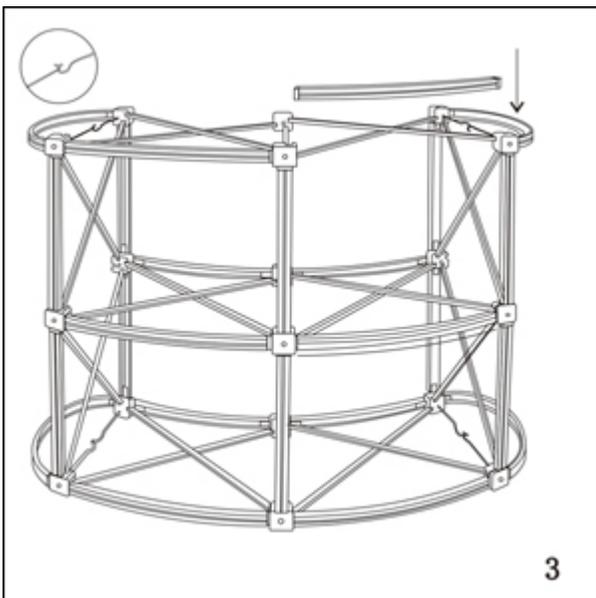

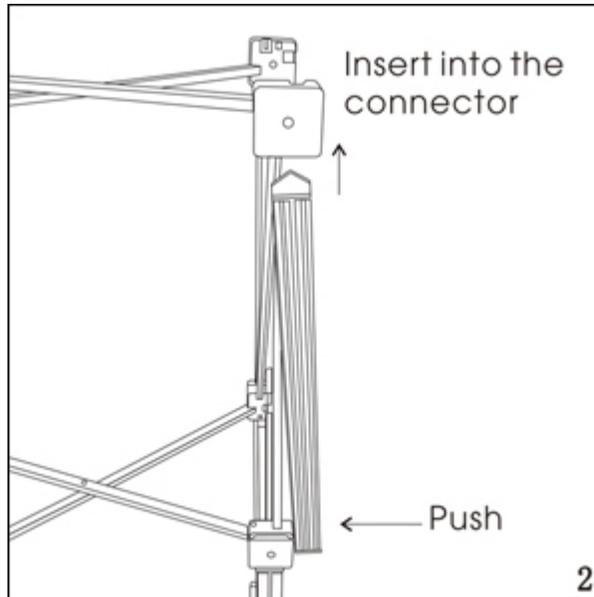

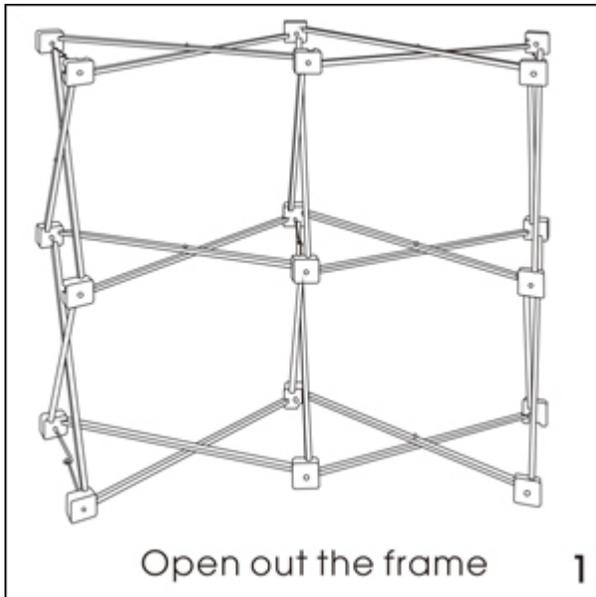

**Description:**

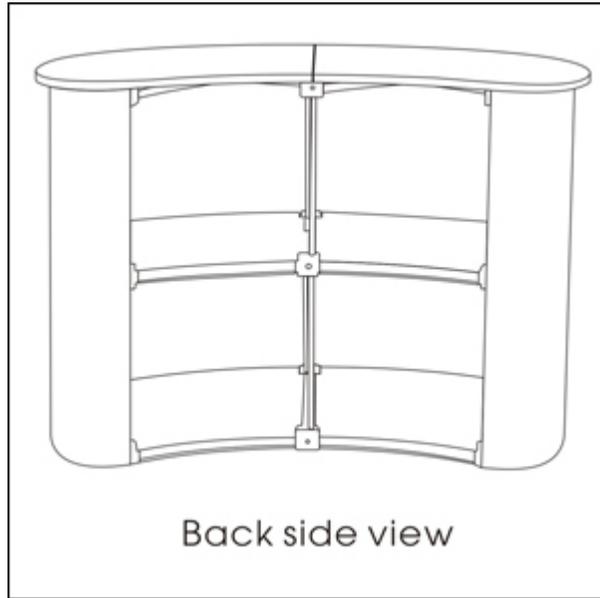

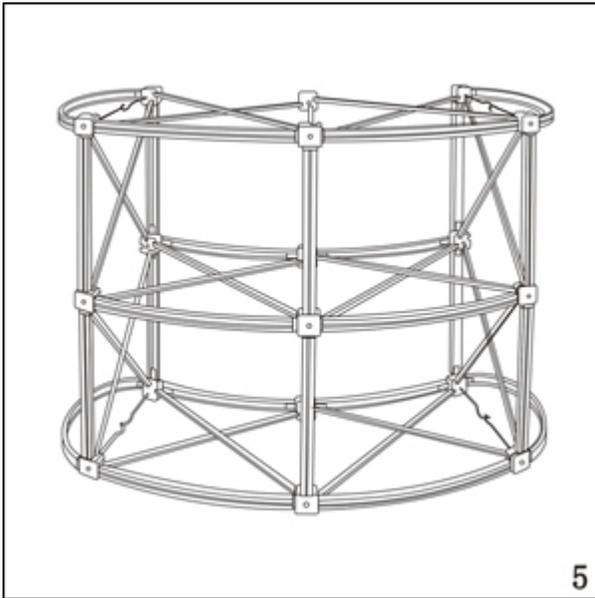

A trade show stand is a must-have for any company that regularly presents at tradeshow or conventions. The exhibition counter for sale here, also known as pop up counter, can stand alone or be placed within an existing trade show booth. The inner shelves are perfect for storing supplies, product samples, and more. The countertop is made from MDF that features a kidney-bean shape to comfortably accommodate a representative behind it.

**Application:**

This promotional counter is a valuable piece for businesses that often travel to trade shows, on-site appearances, conventions or large business meetings.
