Overview

- High quality but low price
- Quick to assemble and easy to use
- Snap-frame rails enable easy graphic changing
- Bungee pole provides a consistent graphic height

Our bestselling X banner stand features high quality but a low price! This banner stand with custom graphics is very light, weighing only 2.4 pounds, to avoid straining peoples' backs when lugging in trade shows. Additionally, this banner stand mounts quickly on the flexible tension bars to display custom graphics on a smooth, stable surface, giving trade show displays or presentations more visibility and impact. Once assembled, the banner stand can be easily moved around. When finished, the stand can be rolled up and stored inside a compact carrying case.
