Overview

Stable Frame and Elegant Outlook

This Magazine Rack is made of high quality aluminum-alloy, equipped with smooth acrylic literature holders and trays. The exquisite surface, the stable main frame, the excellent literature holders and the best visual angle would offer you a perfect carrier for your magazines, brochures literature etc. The lintel can be added logo according to you. The magazine rack is portable and easy to install as well as take apart, which must be your first choice when you have to put and release your promotional literature at the exhibition hall, or on the occasions like the promotion programmes and many other show activities.

Application:

The Magazine Rack is mainly used in some sales promotion activities when the literature releasing is a must.
