Overview

• **Manual type.**
• **Reasonably design, smart.**
• **Delicate and durable, fine workmanship.**
• **Widely used, you can transfer images to flat materials, such as T-shirts, cloth, metal sheet, etc.**

Description:
This T-shirt transfer machine has reasonable design. The display is set beside the heating board. It's fashional and delicate with fine workmanship. This machine is made with good material and flexible structure. You can transfer any images you like to T-shirts, cloth, ceramic sheet, metal sheet, etc by this smart digital heat tranfer machine.

Notice: Color of the machine is variable, and the color is random according to the ones in stock when you buy the machine. Certainly, you can choose the color we have made but need time to finish if it's not in stock. Also, you can customize the color you like but need extra cost and large order.

Guarantee & Aftersales Service
Comprehensive guarantee for one year except the wearing parts.
24-hour technical support by email or calling.
User-friendly English manual for machinary using.
