### Overview

- **Easy to assemble, can be put together in 30 seconds**
- **Competitive price**

This picture shelf, available in a single side, is constructed from aluminum components with plastic end caps.

It has a lightweight design that makes it very portable and easy to use. With no loose parts to misplace, this shelf is an ideal way to display custom banner graphics.

The simple cross base folds flat for transportation and the shock-corded pole breaks down to into three pieces. Rolling up the printed banner and folding up the display is all that is necessary to put this pole banner stand away.

The travel base collapses into a compact unit for transportation and includes a lightweight carrying bag. Available in silver.

#### Application:

Fit for all kinds of business exhibitions.
