Overview

- Aluminum-alloy frame
- Elegant and stylish outlook
- Edging could be opened to make it easy to change pictures

Description:

The poster stand is made of high quality aluminum-alloy. The exquisite surface and the stable main frame would offer you a perfect carrier for your posters. It is portable and easy to install as well as take apart. The edging could be opened, making it pretty easy to change pictures. There are four changeable styles: single side poster stand, double-side poster stand, single side with a lintel, double-side with a lintel.

Application:

Stores, shopping malls, office buildings, business buildings and so on.
