QA

Q	Can this cutter both print and cut?
A	<p>This cutter can only cut.</p> <div style="text-align: right; margin-top: -10px;">Reply by sign-in-china</div>
Q	I would like to know what is contour cut?
A	<p>Contour cut means that you use the printer to print on decal paper or whatever, then the cutter cuts out around the graphic to make a sticker of what you printed.</p> <div style="text-align: right; margin-top: -10px;">Reply by sign-in-china</div>
