Q

should I order spare knives or any other spare parts?

A

Yes, normally we advise our clients order one case blade together with the cutter, please check the description in our website to find the spare parts list and their prices!

Q	Can this cutter both print and cut?
A	This cutter can only cut. Reply by sign-in-china
Q	I would like to know what is contour cut?
A	Contour cut means that you use the printer to print on decal paper or whatever, then the cutter cuts out around the graphic to make a sticker of what you printed. Reply by sign-in-china
