Available Colors

Blue Color

This slim light box has nice frame because of colorful frame. We can provide many colors for the frame, such as golden, silver, red, green, blue, purple, pink, etc. Also, you can choose any color you like, and we will do what you need completely. It adopts high-quality Aluminum to make sure the quality of the product. The width of frame is 1.6" (40mm) and thickness of the light box is 1.1" (28mm). The lightbox adopts side-guide lighting design using high-quality guide light panel which distributes light evenly.

Applications:

This colorful slim light box with nice frame is widely used in restaurant, shopping mall, supermarkets, chain-store, garment store, hotel, bank, airport, subway, etc.

- Tips:**
- Tip 1.** The overall Image size needs to be larger than the viewing size, In order to have a perfect fit and a great view of the image. That goes for all A1-A4 models.
 - Tip 2.** The price will be variable because of the irregular color. The price we quote is for the regular color, such as golden, blue, red, green, pink, and just like we show on the website. The price should be re-calculate if you need the irregular color we haven't made and need bulk order because it'll cost a lot for a new color.
