Overview

- Smart cutter for vinyl banner.
- It's easy to change the blade.
- It's affordable and convenient to use.

Description:

This banner cutting knife is smart used for cutting PVC banner. It's cheap and convenient to use. You can change the blade if it's broken or not sharp. Four edges of the blade are all available, so it's durable for longer time.

Notes:

1. Turn the nuts at right side to change the blade. Please change the blade in time if there are difficulties during cutting banners (four edges of the blade are all available).
2. It's not suitable for soft fiber cloth and PVC banner which is thickner than 0.8mm.
3. Keep away from minors.
