Overview

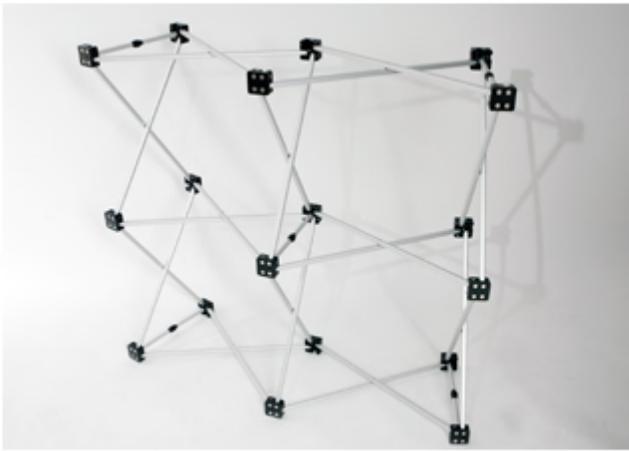

Description:

This pop up counter is very convenient for businesses that often travel to trade shows, sales meetings, or other promotional presentations. To setup your stand, simply pop open the trade show stand's lightweight, but sturdy, aluminum frame, attach magnetic rods, magnetically affix panels to the booths, add inner shelves and top counter area. The countertop features a kidney-bean shape to comfortably accommodate a representative behind it.

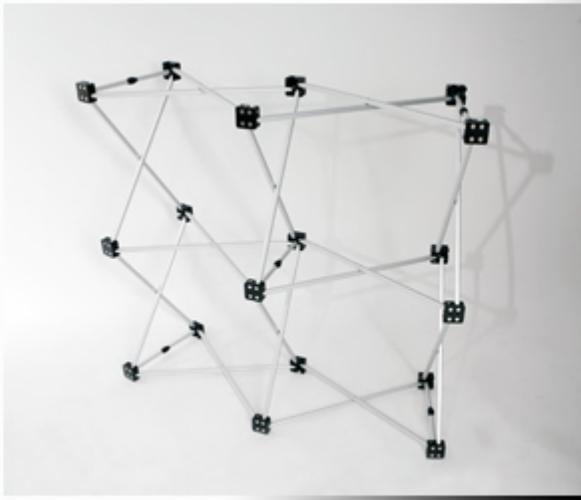

Notice: Price is not including graphic printing

Details

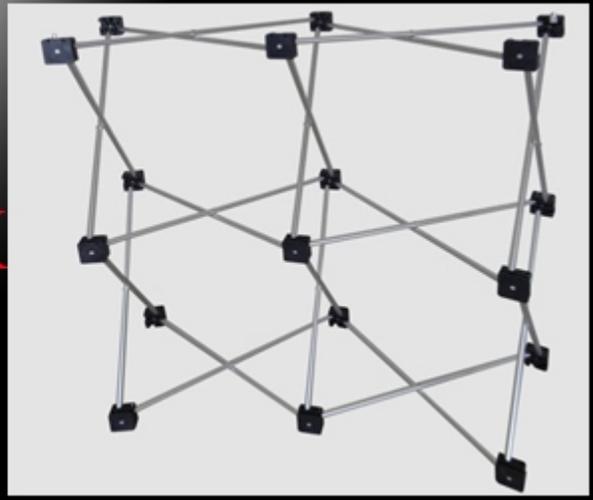

Comparison

PK

Unfold the magnetic pop up counter, the magnetic blocks wherein make everything stronger.

After unfolding the standard pop up counter, there are no inside.

PK

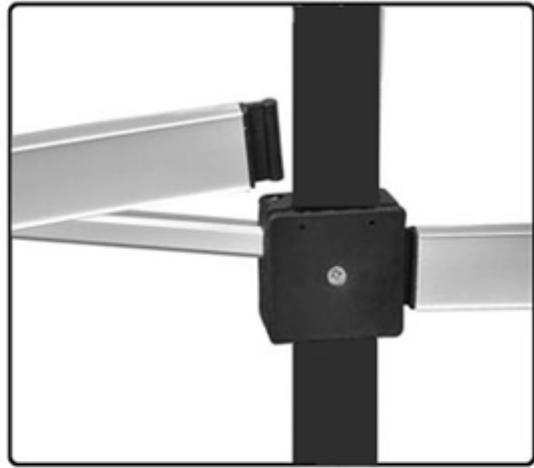

This magnetic pop up counter is elegant and exquisite with good quality.

The standard pop up counter is not very beautiful.

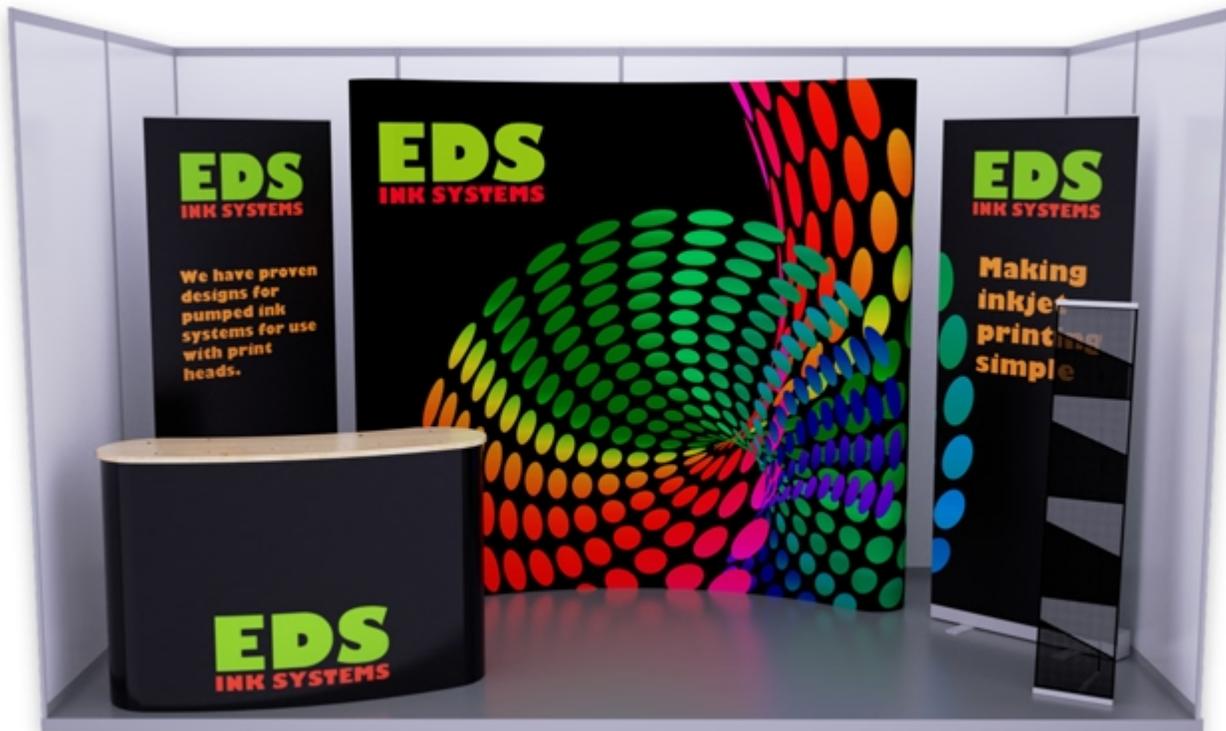

PK

The magnetic bar of magnetic pop up counter and its frame use magnetic blocks to join which make the installation very easy.

The iron bar of standard pop up counter is difficult for installation.
