### Overview

- . With true backlit color.
- . Floor standing design.
- . It has LED lights that save energy and has a long lifespan.
- . The brightness is even because it has a light guide for the upper panel and this makes the light even. It's easy to used, to carry and change pictures.

#### Description:

The crystal light box is held in a stand, which stands on the floor like a poster, combined with the LED lights it creates a modern and outstanding design for its various uses. The stand height is 43.3" (110cms) and it handles white and RGB colors.

#### Remarks:

The overall image size needs to be larger than the viewing size, in order to have a perfect fit of the image, this applies to all models A1 to A4.

#### Applications:

It is widely used in hotels, photo studio, shopping malls, supermarkets, etc. It could also be an advertising promotion gift.
