### Overview

#### Characteristics:

- Stylish design developed in Germany.
- LED screen makes advertising easier and more luxurious.

#### Standard Specifications:

- Contains 4 layers.
- Packaged in a PC box with a double bag.
- Includes matching screen holder
- 7 inch can be installed by the user himself.

With an elegant design developed in Germany, the durable main structure is made of aluminum and features four folders from `the` PC manufacturer. For a more vivid advertising experience, an optional 7" screen can be installed. Easy to set up and transport, this is an ideal choice for trade shows, for example.
