Description:

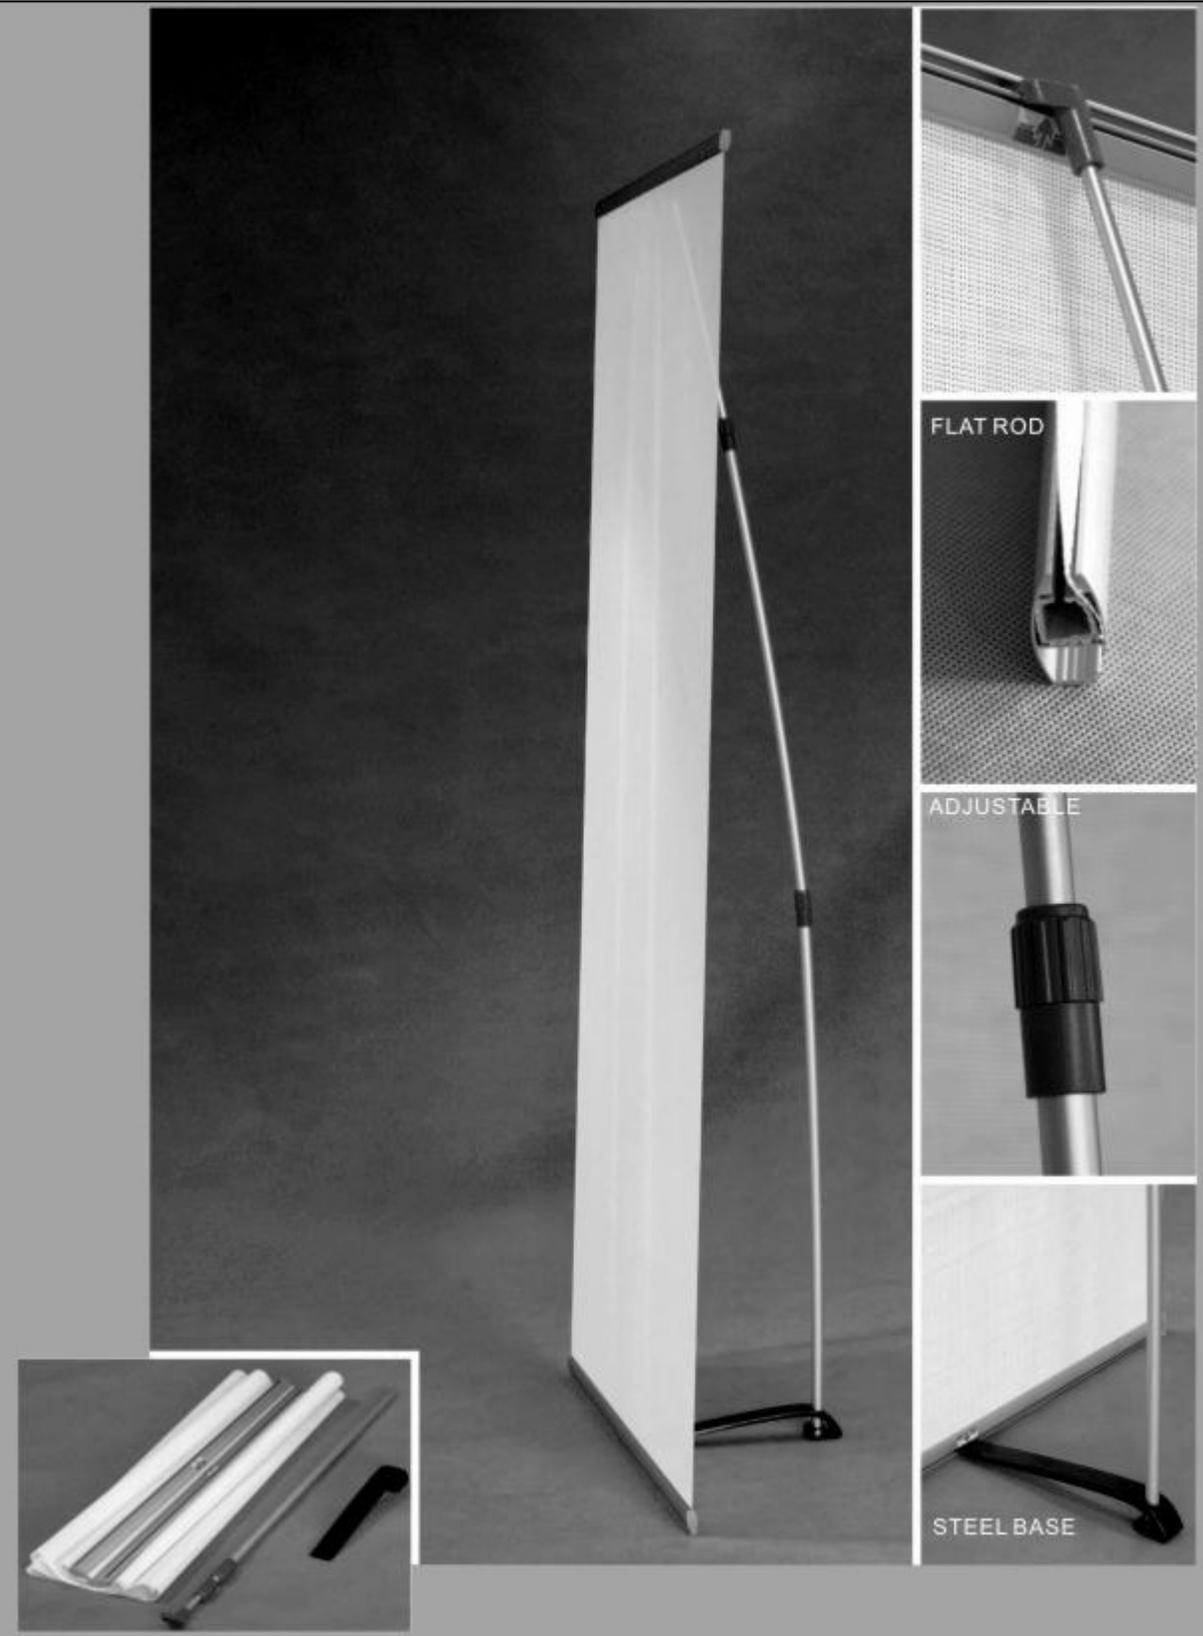

This banner stand, also known as L display stand, have a simple design, taking minutes to set up, yet will have an incredible impact on the success of your displayed banner. The banner stand can be used to display a range of different-sized banner signs, with 40" tall being shortest, and 83" tall the largest. Not only will this banner stand create an attention-grabbing display, but they can easily be updated by simply replacing your graphics. The banner stand is even equipped with a carrying case to keep all of the components organized and together during travel. This portable banner stand is sold without banners to save you money. This banner display is perfect for use within trade show displays, promotional and exhibition events.
