Overview

Lustre Glossy Photo Paper

Characteristic:

Lustre glossy surface, high resolution and professional prints; delivers the true look and feel of traditional glossy photo-graphs. Scratch resistance and water-resistance with a fast dry surface.

Highlight:

Compared with other photo papers, the most notorious difference is the PE layer paper coat on both sides. A brighter surfaces and anti-scratch and water resistant.

Pigment ink and water based dye ink can be used.

Suitable printer:

Widely used with water-based dye or pigment inkjet printers such as Epson, HP, Canon and more.
