

## One Color Desktop Fixed Manual Screen Printing Machine

This is one color simple screen printing with very low cost and is especially suitable for single color T-shirt printing. It is fixed on a table-board. That machine cannot adjust up and down.

### Products Features

This machine is specially designed for one color T-shirt screen printing because of its dedicated

T-shirt pallet which can guarantee the accurate positioning and good printing effect

It can also be applied to printing on substrates which need overprinting, such as pillowcase,

bag, non-woven bags and so on. The user can only change the pallet according to the substrates to satisfy the needs of different kinds of printing and it is easy to dismantle the pallet

Special designs of spring devices in screen adjusting up and down makes it easier for the user

operations according to the sizes and weight of the weight of screen frame and squeegee in loose intensity

Screen clamp can be moved up and down in 2cm, which is suitable for screen frame within 2cm thickness

This machine adopts full metal structure and all parts are stainless steel materials, which is in advanced electrostatic spraying, elegant appearance, convenient in cleaning and no rust

Composite structure and excellent packaging for convenient transportation, equipped with installation video, manual instruction, full set installing and maintenance tools and spare parts

### Parameters

Plate size:450mmx550mm

Max printing size:400mmx500mm

Max frame size:500mmx600mm

Gross Weight : 12KG

Package size : 650x510x200mm
